I was a bit nervous as I was homesick and I came far off from my family to study at VIP but here, the atmosphere is friendly and i loved the homely atmosphere of the college.

Aditya, Polytechnic (ME)

I think the teaching is outstanding. The quality of lectures, tutorials and practicals are incomparable. Everyday at VIP was valuable for me and meant a lot and it is undeniable that what i studied at VIP was valuable for me.

Ashish, Polytechnic (CSE)

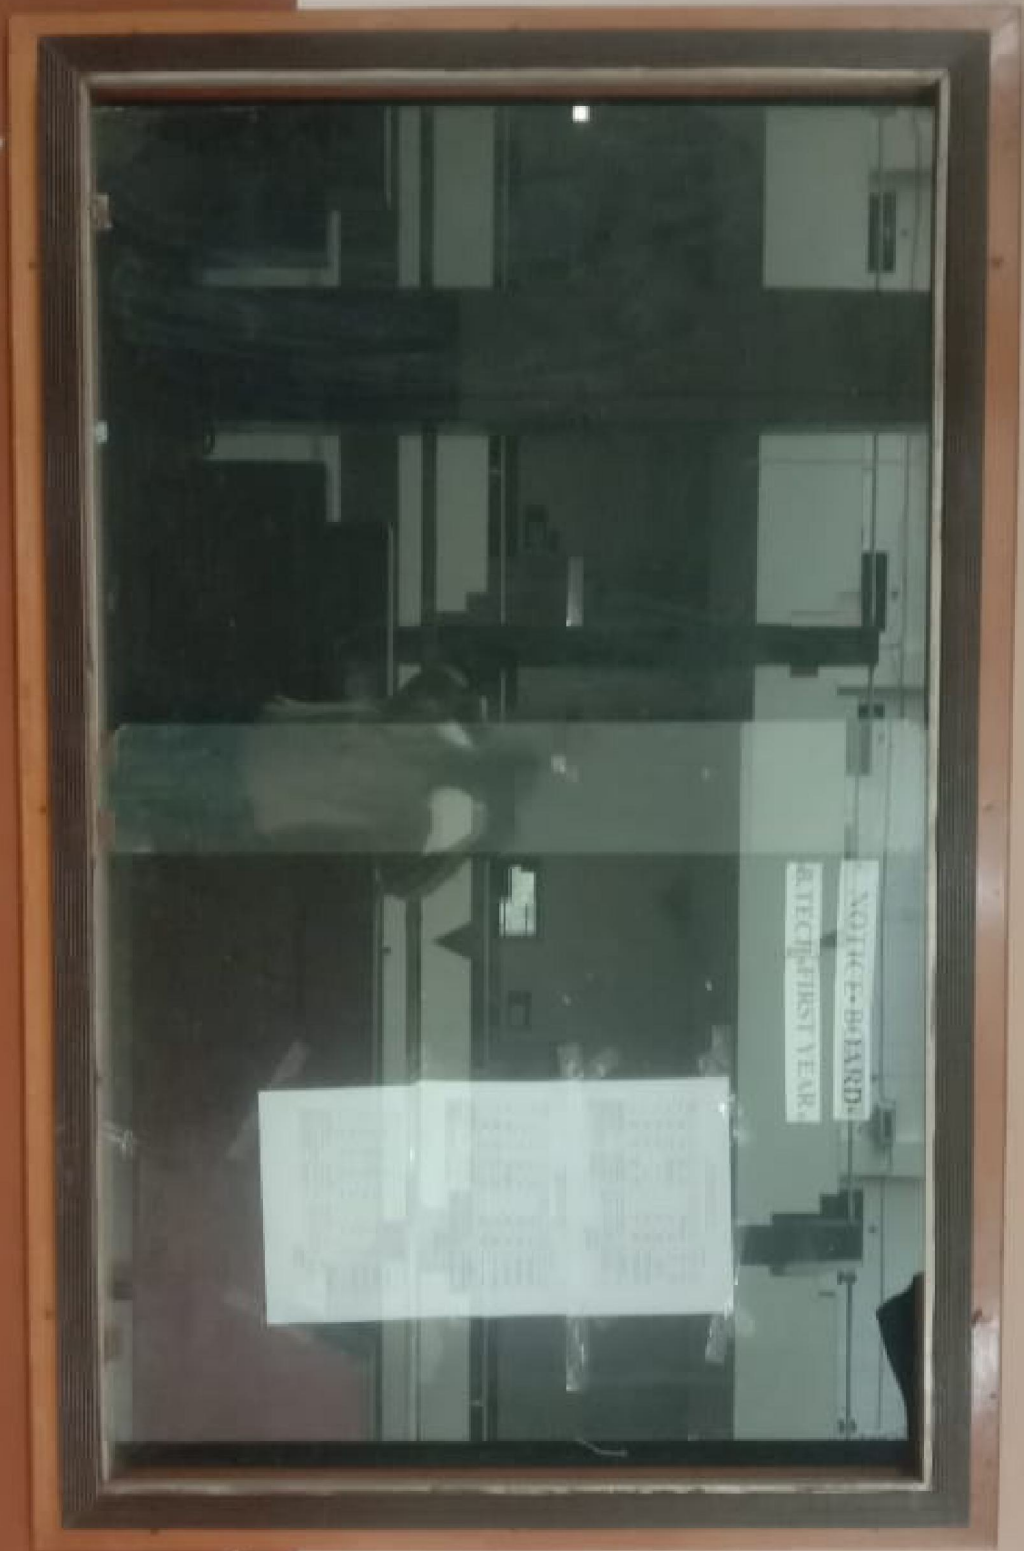

Here at VIP, fears get converted into dreams, hesitations changes into motivation. The way to success is learnt, shared, transferred and witnessed by the alumni and faculty, of course.

Prof. Jitendra Kumar, Associate Professor, Electrical Engineering

If I can inspire students to study and instill in them a thirst for knowledge & practical experience, I feel this is the best path to effective learning and in turn greater student achievement.

Prof. Sanjeev Kumar, Associate Professor

NOTICE BOARD
FIRST YEAR

NOTICE
The following students have been selected for the first year of the course. The names are listed in the order of their marks in the entrance examination. The students are: [illegible text]
